

QUALITY POLICY

Owens & Minor is committed to
“*making healing happen*™,”
by providing safe and effective
products, services, and solutions
throughout the global
healthcare supply chain.

A ROBUST QUALITY MANAGEMENT SYSTEM

We effectively manage a robust Quality System that meets or exceeds all laws, regulations, and standards that govern our business.

We understand that consistent, high-quality standards are the foundation for trusted partnerships with suppliers, manufacturers, and customers.

PROMOTING ACTIVE TEAMMATE ENGAGEMENT

Active teammate engagement is key to Quality; therefore, we have created a work environment that promotes individual responsibility within a framework of continuous improvement.
